jane@janelydickstaidphotography.com

Come and have fun learning to photographing at night on the streets of Manchester with our experienced model. We may even venture onto the famous "Cat Alley."

We will discuss how to meter for ambient light and how to add additional light sources to get an exposure that will yield awesome images.

Bring your camera and a pocket wizard if you have one. I can provide an extra pocket wizard if someone needs one.

If you have questions about the program, contact:

Learn . Grow . Succeed

President's Message

Welcome to the September Hyponeer and President's message. I hope everyone has been enjoying the summer heat, sun, and great weather. Hopefully you have been able to take some time off to enjoy a vacation with your families and make some memories.

Speaking of memories, have you been creating great images this summer? Have you been doing more paid work or more personal work? I know in my case, it's been almost all paid work with weddings, and not nearly enough personal work. That's not a bad thing, but I'm willing to bet most of us want to be shooting more fun stuff. It's so easy to say, "The weather isn't just right" or "Its too cloudy" or "It's too sunny" or "The studio isn't set up." Yet many times when we get up, gather our equipment, and go find something to photograph, we end up with something we're very proud of, and maybe even Image Competition worthy!

So, do you have a personal project? Do you create challenges for yourself? This is the time to get ahead of the eight ball, instead of behind it, as I am always guilty of doing. I am challenging myself to create at least one image per month that will be at least a candidate for Image Competition, starting next spring. I just started in August, but if I stick to it, I should have a minimum of eight images to consider next March, but hopefully more. I am curious to hear if this message will inspire any of you to create a challenge of your own, in an effort to create more personal work. Please let me know.

Again, I want to thank the members and board of the NHPPA for trusting me with the position of President, and I am looking forward to another great year of fun, friends, and photography!

Cheers,

Jim Carlen, M.Photog., C.P.P., A.C.Ph.

Monthly Meeting

Storytelling Portrait Photography: Documenting the Lives of Children and Families

with Paula Swift, M.Photos.Cr., CPP
www.paulaswift.com

Wednesday, September 5, 2018
 6 to 9:30 p.m. | Derryfield Country Club

Paula Ferazzi Swift spent 10 years chasing fires and covering news assignments all over Central Massachusetts as a photojournalist at the *Worcester Telegram & Gazette*. When Paula decided to leave photojournalism in 2005, she began focusing on children and families utilizing her photojournalistic skills to photograph the relationship children shared in front of her camera in a natural way.

Paula will share images and the story behind how she captured them, both technically and emotionally. Paula will explain how to capture those unexpected moments, how to get shy children to warm up to you, how to keep children involved in their photography session, use of props to keep the session looking natural, how to incorporate pets, how to capture children on the go, and how to let children be themselves during a session.

Paula has won numerous awards for her portrait work including two Kodak Gallery awards, a Hallmark Award, the Photographic Degree of Excellence by PPAM, Loan and General Collection images at PPA's International Photographic Competition, and 2014 Photographer of the Year bronze medalist. Paula received her Master of Photography degree in February 2015 and her Photographic Craftsman degree in January 2017.

In May 2017, Paula's book *Storytelling Portrait Photography: How to Document the Lives of Children and Families* was published. The book offers ideas for creating a strong and lasting client connection, eliciting memorable moments, finding storytelling locations, inspiring natural action and reactions, and capturing the inter-relationships between siblings and between children and their parents. The book is available on Amazon, Barnes & Noble, and Hunt's Photo and Video stores. Paula will also have books on hand for purchase and to personally sign.

Join us for a buffet dinner and socializing from 6 to 7:15 p.m. followed by the program from 7:30 to 9:30 p.m. Register online by Friday, August 31, at <http://nhppa.com/event-2979824>. The cost for dinner is \$25 and can be paid online or at the door. For more information visit www.nhppa.com or contact Tanya Hervey at tanya@tanyaleeherveyphotography.com.

Monthly Meeting

Portrait Lighting Using Speedlights

presented by Scott Levine
www.TheStudioSL.com

Wednesday, October 3, 2018
 6 to 9:30 p.m. | Derryfield Country Club

If you've ever wondered how to improve the look of your portraits using only one speedlight, then this program is for you. Scott will illustrate and teach you to understand flash, how and why it works, both on and off the camera. This class is geared to those who are just starting out with flash, as well as those that have been using flash, but want to learn how to use it more effectively. Some of the content to be covered includes:

- How to light and sculpt your subjects with Speedlights
- Settings on your camera
- Settings on your flash
- Flash compensation
- Direction of flash
- Understanding and mastering fill-in flash
- Wireless flash and how TTL flash works

Scott is a 20+ year member of the Professional Photographers of America (PPA) and is also a member of the Professional Photographers Association of Massachusetts (PPAM). As the son of a professional photographer, Scott was fascinated with photography at an early age. When Scott was 11, he knew this was to be his life's work. He spent as much time as possible by his father's side, observing and learning the craft of photography. By the age of 16, Scott was already photographing portraits in the studio and learning wedding photography.

Scott graduated from Rochester Institute of Technology with a BFA in Illustrative Commercial Photography. Scott attributes his time at RIT for allowing him a fluid transition into the digital age of photography. Scott has also provided technical product evaluation and support for companies such as Kodak, Lumedyne, and Noritsu.

Join us for a buffet dinner and socializing from 6 to 7:15 p.m. followed by the program from 7:30 to 9:30 p.m. Register online by Friday, September 28, at <http://nhppa.com/event-2979886>. The cost for dinner is \$25 and can be paid online or at the door. For more information visit www.nhppa.com or contact Tanya Hervey at tanya@tanyaleeherveyphotography.com.

Monthly Meeting

Sports League Photography: Adding to Your Bottom Line

with Melvin Guante, CPP
www.melvinsphoto.com

Wednesday, November 14, 2018
6 to 9:30 p.m. | Derryfield Country Club

Remember when photography was fun? Remember how you had your creative juices flowing and you set out to create masterpieces? Would you like to recreate that experience only this time get paid for it? If so, consider adding sports league photography to your product offerings.

The days of dull cookie-cutter photography of sports teams are gone! You can now offer exciting contemporary photography that captures the character of each team member while still maintaining an efficient workflow. Melvin will show you how his techniques when applied to volume photography, specifically sports leagues, will enable you to efficiently produce creative sports photographs that sell. This program will cover getting started – how to find prospective leagues and land the job – as well as workflow – including the actual photography and pre- and post- production. At the conclusion of this program, you'll have the tools you'll need to land your first league job and to photograph it with confidence. And what's more, you'll make money doing it!

Since an early age, Melvin was fascinated by the arts. From the moment he saw his uncle playing with his enormously huge and shiny new camera with all the bells and whistles, he knew that he wanted to be a photographer. While in high school, his art teacher inspired his creativity and did not allow him to settle for the ordinary and encouraged him to get out of his comfort zone, so he could be more innovative. He went on to drawing, painting and making clay sculptures that were exhibited in a year-end art displays. His teacher taught him patience and perseverance. In college Melvin was exposed to African art which led him to explore and immerse himself in everything it had to offer. This had a profound lifelong influence on his work.

Melvin is a passionate photographic artist, with an Associate Degree in Liberal Arts. He is currently an active member on the Board of The Professional Photographers of Massachusetts (PPAM), holds a Certified Professional Photographer degree through PPA, and has the honor of serving as the liaison for the CPP program in Massachusetts.

Join us for a buffet dinner and socializing from 6 to 7:15 p.m. followed by the program from 7:30 to 9:30 p.m. Register online by Friday, November 9, at <http://nhppa.com/event-2980148>. The cost for dinner is \$25 and can be paid online or at the door. For more information visit www.nhppa.com or contact Tanya Hervey at tanya@tanyaleeherveyp photography.com.

October 29 deadline

For More Information

John Malboeuf

603.930.0329 | johnm@johnmphoto.com

In this jam-packed seminar, Lindsay will talk about and demonstrate the tools and techniques to allow the beauty of the human form to shine through your photographic artwork. When photographing the everyday person instead of models, you are often asked to photograph and flatter more challenging features – round face, pronounced nose, large forehead, double chin, asymmetrical features, bald head, glasses, defined wrinkles, full figured and curvier clients, and more. It is imperative when you photograph them you are able to do so with confidence. In this workshop Lindsay will share her secrets of how posing, lighting, camera angle, lens choice, clothing choice, and Photoshop all work together for successful imagery.

Whether your photography focus is wedding, portrait, or intimate boudoir, understanding how to flatter the body is essential. Lindsay will lay down a solid foundation of posing and styling so that you can make your clients feel comfortable in front of the camera.

PPANE Seminar

Tony Sweet COMING TO PPANE! OCTOBER 28, 2018

**BONUS
WORKSHOP
OCT. 29!
SPACE
LIMITED**

**Don't Miss the Annual Meeting at Lunch
and Cocktail Hour & Awards Banquet After!**

After successful careers as a jazz musician/educator, and professional magician, Tony settled on photography as his chosen means for personal expression. Beginning as a film photographer, Tony has become accomplished in image editing software and plugins and is an in-demand speaker throughout the U.S. and Canada on creativity in the digital age. He conducts location workshops in the U.S., Canada, and Iceland.

Tony's photography is published worldwide and is represented by Getty Images. His iPhone photography is represented by Aurora Photos. Tony's images are also used by Nikon, MacPhun, Singh Ray, Alien Skin, Topaz, Lensbaby and others for national ad campaigns.

He has authored five books on the art of photography; co-produced four photography DVDs as well as an iPhone instructional video series. The first book in his Fine Art Nature Photography eBook series, "Creative Techniques and the Art of Self Expression," was just released.

Welcome to the NHPPA!

The New Hampshire Professional Photographers Association (NHPPA) is a non-profit association of professional photographers and other interested persons who are dedicated to photography as an art, business, and science.

The purpose of the NHPPA is to assist its members in achieving their professional and artistic goals; to promote public awareness of the photography profession; and to advance the making of images in all of its disciplines as an art, a science, and a visual recorder of history.

NHPPA offers a number of opportunities to help you learn more about the craft of photography and the business of photography – monthly meetings, fall seminar, mini monday events, full-day photofestivals, as well as our annual convention.

Our monthly dinner meetings, which are normally held on the first Wednesday of the month, are a great way to network with other photographers and share the evening with a great speaker. Topics vary and always leave you with more information than you came with.

Board Meetings 2018-19

Board meetings will be at:

Bedford Safety Complex

55 Constitution Drive, Bedford, NH | (603) 673-1274 or (603) 620-1274

Meetings:

All meetings will start at **6:30 p.m.**

Please target 5 days before the meeting to submit your reports.

Please include whether you will be able to attend, as NHPPA board meetings require a quorum to function. We need as many voting board members to attend each meeting to achieve a quorum. Committee heads are not required to attend every meeting, however are encouraged to do so when they have current business to present to the Board.

These are the dates for the 2018-2019 Board meetings along with topics which we anticipate discussion of, but are not limited to:

June 20, 2018

Membership renewals, Budget approval, Fall Seminar, Conference location and potential speakers

August 15, 2018

Conference speakers contracts, Fall Seminar, Monthly Meeting speakers, Nominating Committee, proposed changes to Bylaws approved by Board, Mini Mondays

September 19, 2018

Last meeting before Bylaws change deadline of October 1, 2018, Conference speakers, Fall Seminar, Christmas Party, Photofestival, Mini Mondays

October 17, 2018

Conference, Photofestival, Christmas Party, Proposed slate of officers from Nominating Committee

November 28, 2018

Conference, Photofestival, Christmas Party, Annual Business Meeting/Vendor Appreciation Night

January 16, 2019

Conference, Photofestival, Monthly Meetings

February 20, 2019
